**THE WALK**

Three exchange sessions (not public) on contemporary art practice at Atelier Suisse, Darling Foundry, Montreal.  
 The artists in residency Jérémie Sarbach and Flurina Badel invite three Canadian artists/curators to discuss a specific topic linked to their contemporary art practice. Every invited artist/curator invites on his side an artist/curator to question her/him concerning the topic of the discussion session.

Every discussion session assembles eight participants and goes along with a dinner, besides a laptop and a projector, provided for work presentations.

6-9 PM, ATELIER SUISSE, FONDERIE DARLING, 250 QUEEN STREET, MONTRÉAL
